RE: Travel in conjunction with curatorship of "Califas" art exhibit.

By way of this memo, I am requesting $340.00 to cover cost of a University Ford sedan (at twenty-five cents per mile/1000 miles rental rates) and two nights motel charges ($40.00 per night). Members of the Selection Committee, including Tino Esparza, Cruz Zamarron and myself, will be visiting the artists contributing works to the "Califas" art exhibit scheduled for the Sesnon Gallery from March 29 to May 5, 1981. We will visit five artists from the San Diego-Los Angeles area. We will be involved with collecting documentation for the "Califas" catalogue and will leave Friday, February 6 and return Sunday, February 8.
